Signatures applied automatically

Student signature (consent given in profile): NO - sign by hand
Pilot declaration on medical form: NO - sign by hand (needs a valid Hub medical declaration and age under 60)
Instructor signature: YES, with 'Digitally signed' note

Check by eye before submitting

[ ] Passport photo: plain light background, face 70-80% of frame, neutral expression, no glare (DHA spec).
[ ] Print the photo sheet at 100% scale on photo paper - two identical 35 x 45 mm prints.
[ ] SAHPA medical: the practitioner half is for the doctor - never completed by the Hub.
[ ] CA 183-540: confirm the proxy details pre-printed on the SAHPA form are still correct.
[ ] Logbook: every flight should show an instructor countersignature.

Warnings from the Hub

! The student has a signature on file but has not consented to its use on the forms - sign by hand.
! Medical form: no valid Hub medical declaration (or age 60+) - the pilot signs by hand.
! Home address is missing.
! No passed radio exam (or verified held radio licence) - no radio certificate in the pack.
