Assistant Instructor Rating — Requirements and Documents

Apex Adventures (Paramotor SA (Pty) Ltd, SACAA DTO 0012) · Recreational Assistant Flight Instructor: PG, PPG and PPT · Compiled 26 Oct 2026 from CAR Part 62 Subpart 9, SA-CATS 62 Appendix R62.39, the SAHPA Training and Procedures Manual (TPM), the SAHPA Manual of Procedures (MOP) and the Apex DTO Procedures Manual.

1. Who this is for

Licensed pilots who want to start instructing as a **National Assistant Flight Instructor (NAFI)**. An assistant trains students only under the direct supervision of a Grade A or B instructor, who stays on the ground at the same site and in radio contact. The supervising instructor is responsible for the assistant's actions.

Privileges and limits (TPM 4.3.1): theory and ground-control instruction may be given unsupervised after at least 2 lectures and 2 days of ground-control instruction have been delivered under supervision. The rating lapses if your association with the school ends.

2. Before you apply

- Minimum age 18 (TPM 5.2)
- Valid National Pilot Licence and current SAHPA membership
- Medical fitness certificate
- Fluent English
- Associated with a SAHPA-registered school or DTO that will supervise you

3. Experience requirements

Discipline	Requirement
Assistant PG instructor	Valid Sport class rating (R62.39)
Assistant PPG instructor	Valid Sport class rating (R62.39)
Assistant PPT / PPC instructor	Valid tandem class rating (R62.39, PPC). The TPM asks for a PPG/PPT Basic licence
Conduct	Code of conduct (airmanship) followed; no finding of negligence or incompetence in the preceding period set by SAHPA

The TPM (Sport licence for PG, Basic licence for PPG/PPT) and R62.39 (Sport class rating for PPG) do not agree for PPG. Follow the higher requirement and confirm with SAHPA.

4. Theory exam

- No separate assistant instructor exam was found in the sources read. Instructor training covers the DTO manual's general instructing fundamentals: qualities of an instructor, principles of learning and teaching, site selection, weather for training, equipment, risk management, licensing, the observer and sign-off system, and the endorsement and licence issuing procedure
- Confirm with SAHPA whether an exam applies

5. Training and practical

- Demonstrate your abilities to the Facility CFI or delegate (TPM 4.2.3)
- The Facility CFI completes an Instructor Training Record that is kept in your file (TPM 4.2.4)
- Instructor training course details (R62.26) were not read in full
- All instructors attend at least one Instructors Training Seminar every two years (TPM 4.2.7)

6. Documents to submit
